

Privacy Policy

We value your privacy. We will never give, lease, sell or otherwise disclose your personal information. Ever! Any information you give to On2it Software Ltd will be held with extreme care.

Use of Information

We use the information you have provided for the following purposes:

- to enable our products to be activated and registered
- to contact you directly about our products, updates available, special offers, and other promotions,
- to inform you of On2it Software Ltd's products or publications we think you might be interested in
- to approve transactions you wish to make
- to confirm your identity
- to provide you with products you have requested
- to follow up or pursue any queries you make
- to conduct consumer research

Payment Information

When you purchase an On2it Software product, we use PayPal as a secure payment portal. This will check your credit card details and accept your payment. Our own Server is simply advised that payment has been made. Your Credit Card details remain completely unknown to us.

Disclosure of Information

We will NOT:

Sell or Disclosure Your Information to Third Parties

On2it Software Ltd does not sell, rent, loan, trade, or lease any personal information collected by our website, including contact forms, download requests or email lists.

Sell or Disclose Our Email Lists

Individuals who download products are added to our email database using the forms provided on this web site. We do not sell, rent, loan, trade, or lease the addresses on our lists to anyone. In addition, we refuse to divulge the email addresses of our list subscribers to anyone but authorized On2it Software Ltd staff, including other list subscribers.

Unsubscribe Policy

By providing us with your email address we shall assume that you consent to receiving emails from us. However, if you would not like to receive future emails from us, please use the 'unsubscribe' link located at the bottom of our email communications.

Site Research

On2it Software Ltd uses website measurement software and systems to help measure traffic patterns to and from our website. The system is used to anonymously aggregate website statistics such as the number of page views, the number of unique visitors, the time spent on our website, and common entry and exit points into and from the website. All our pages are encoded with a code that is transparent to you when you read that page. The code stores a cookie in your browser (if you have enabled cookies) which contains a unique identifier to allow us to track the number of unique visitors to the website. This information is collected and aggregated by On2it Software Ltd and in no way can you be identified personally and no personal information is stored about you.

If you have any questions at all about our privacy policy, please email us.
